Bo sold this rare French early 20th century Daum Nancy landscape cameo glass vase for \$12,500 about one year ago.

Mr. Bo Robert Patrick is a third-generation native to Arizona. His family has been in the business for 32 years and he has professionally been in the business since he was 19 - he is now 33 years old. His company is Fidelity Estate Services and they specialize in Appraisals, Estate Auctions, Estate Sales and brokering fine antiques and jewelry. This is his fourth season on the PBS channel 8 television show 'Arizona Collectibles' which airs on Thursday at 7:30 PM and Saturdays at 10 AM. His passion is researching and selling his clients' possessions at the highest possible price to help them out. He enjoys it when clients are surprised when the possessions they have are worth a lot more than they ever anticipated! Educating them on what they have and then selling items for them is a joy. His specialties include: jewelry, coins, glass and silver, but there is no personal property he cannot handle (including china, antiques, furniture, artwork, guns and more).
