

Getting Started: Researching in a New Geographic Area

Whether because of new clues, boundary changes or migration, our research always takes us to "new to us" geographic areas. Learning about the records and history of each geographic area in which our ancestors lived is crucial to successful family history research. This class is for the novice to intermediate researcher. An easy to follow format will be given to start research in a new geographic area.

Instructor: Adrienne Haupt

When: Tuesday, February 20, 2018
1:00 - 3:00 p.m.

Where: West Valley Genealogical Society (WVGS) Library
12222 N. 111th Ave., Youngtown, AZ 85363
