Mr. Bo Robert Patrick is a third-generation native to Arizona. His family has been in the business for 30+ years and he has professionally been in the business since he was 19 - he is now 33 years old. His company is Fidelity Estate Services which specializes in Appraisals, Estate Auctions, Estate Sales and brokering fine antiques and jewelry. This is his fifth season on the PBS channel 8 television show 'Arizona Collectibles' which airs on Thursday at 7:30 PM and Saturdays at 10 AM. His passion is researching and selling his clients' possessions at the highest possible price to help them out. He enjoys it when clients are surprised when the possessions they have are worth a lot more than they ever anticipated! Educating them on what they have and then selling items for them is a joy. His specialties include: jewelry, coins, glass and silver, but there is no personal property he cannot handle (including china, antiques, furniture, artwork, guns and more).

In April 2018, Fidelity Estate Services ranked in the top 50 out of 8,100 Companies in the entire United States and Bo himself was Voted 2018 Best Real Estate Auctioneer!

CALL or SIGN-UP at WVGS at (623) 933-4945 to add your name to the list and pay ahead to confirm a specific time slot. Bring your treasures to Fidelity Estate Services in Sun City on Monday, March 25, 2019 for a verbal appraisal evaluation. Cost is \$10 each/\$25 for 3 items.
